Summary

I have entry level experience in film and TV camera assisting jobs. I am technically minded and can work efficiently under pressure through clear communication, as well as being friendly and having a good sense of humour. I have a keen interest for camera and I have worked with a small production company to create many corporate videos. I have had experience in operating a range of cameras including the Sony Venice, Alexa Mini, Red Weapon and Arriflex SR11.

Fully first aid trained. Full UK driver's license.

Selected for the Mark Milsome Foundation's 'Foot in the Door' Traineeship 2020.
