FOUNDATION  
CAMERA TRAINEE  
2021

### ABOUT ME

Passionate and enthusiastic about filmmaking and visual storytelling, I want to be able to develop my knowledge and skills. During my time at university I had taken interest in cinematography, developing short form documentary projects as a camera operator and DoP. Beyond education I have experience as a freelance videographer for commercial clients and social media content. While I also have experience using entry level drones for videography and photography.

### EXPERIENCE
